

Instructions:

1. Create a PDF Document with your responses to the following two questions. There's no need to copy the questions into your responses. Please also add your resume/CV as an extra page at the end of this PDF. Include your name, email, and class year on the document
 - a. Please name the PDF document LASTNAME_FIRSTNAME_YUVG
2. Submit your application at <https://forms.gle/sSqNVz6WBsdzGM3MA> by Saturday September 12th, 2020 at 11:59pm EST

Questions:

1. **Pick an early-stage venture from the list below, and explain whether or not you would invest in it. (in 300 words or less)**
 - Atomwise (biotech; website: atomwise.com)
 - Ginger.io (telehealth; website: ginger.io)
 - OpenGov(IT/Gov; website: opengov.com)
 - Finix (Fintech; website: www.finixpayments.com)
 - Nuburu (Deep tech/materials; website: <https://nuburu.net/>)
 - **If you find an early-stage venture (series C or lower) that isn't on this list but is interesting, feel free to write about it instead.** To find such companies, check out crunchbase.com, techcrunch.com or set up an account on Pitchbook (provided to you free of charge by Yale).

A few things you can talk about may include the industry, management, technology, competitors, financing, among other topics - we care most about your logic and effort. Include bullet points as necessary in your memo.

2. **Why do you want to join YUVG? (50 words or less)**
3. **Describe yourself in one word.**
